Personnel (C)  
1018 L Bldg.  
General Counsel

25 October 1951

25X1A

1. I have no position at a 15 for a man with [REDACTED] background, particularly as he apparently wants to work for the Government only on leave of absence from the University and I want only career intentions.

2. I have been surveying my work to see if we could utilize him as a consultant, but at the present moment we see no problems on which we could enlist his aid.
